Admissions Policy

The founding spirit of Bunka Gakuen University is “Creating New Beauty and Culture”, and our primary objective is to create next-generation culture through education and research. In each of our academic disciplines, we search for new beauty to spearhead the age. We accept those who appreciate the educational objectives of our faculties and departments, and intend to contribute to the international community by striving to master specialized knowledge and skills. In our admissions process, we evaluate applicants’ qualifications, including their creativity and sensitivity, and accept those who possess adaptability from an international perspective.

Graduate School of Fashion and Living Environment Studies

This program looks at the living environment that surrounds human beings and develops young academics with research skills suitable for this age of knowledge and trains up highly specialized professionals who can develop and apply cutting-edge technology. We accept those who aspire to such career paths.

■ Master’s Program in Clothing Science Studies

This program accepts those who want to be an independent researcher in fashion science drawing on the specialized education at the faculty, and aspire to be high-level specialists in charge of developing cutting-edge techniques and information in the fashion industry.
